

## 2nd Grade Supplemental Home Learning Resources

### SEESAW LEARNING AT HOME

Seesaw is the best way to connect your child to learning throughout this time. Your child's teacher will provide a special individualized code to log onto Seesaw Class from home. Do not share this code with others, because it is only for your child. This Seesaw access is different from the family view that you may already have. Your child can watch videos and complete activities at home just like they would at school. Seesaw will provide your child practice with all subject areas.

For more helpful information: [Video for how to log on at home](#)

### Need more ideas and activities outside of what your teacher has assigned on Seesaw?

### MATH

**Dreambox:** Your child can log on at any time.

- School Code: zhfd/v2r3
- Yap: 42583 Tong: 41132 Seekins: 96351 Wills: 51119

Cress: (Mrs. Cress' class is currently unavailable and a code will be added when one becomes available)

**Happy Numbers** is a [website](#) that provides opportunities for students to practice 6 modules related to the content we've been working on this school year as well as other topics that we will be focusing on upon our return.

**Disfruta Las Matematicas** - [Math Resources In Spanish](#)

**Math Review Pages From Wake County** [Click here](#) to access the student version and [click here](#) to see the answer key

## READING

### Rematch Reading Challenge Teachers vs Students

During winter break Green teachers challenged students to a read off to see who could read more minutes. The results were close but ultimately the teachers read more minutes and won the challenge. Track the minutes that your child reads!

### Accountable Independent Reading

Use [one of these reading response papers](#) to help your child check for understanding as they read either fiction or nonfiction text.

[Click here](#) for a list of other literacy related websites that our Literacy Coach, Mrs. Lankford, created for students.

**Raz Kids** We are so thankful that this leveled reader resource is being offered for free! Use your teacher's class code for your child to log in:

Yap: mrsyap1    Wills: dwills8    Seekins: kseekins2    Tong: laurentong2    Cress: acress55

**Epic!** Is offering free remote student access from now through June of this year. Epic! has an amazing selection of books to choose from. There are also audio books and videos that you can take advantage of as well! E-mail or message your child's teacher on Dojo for more information. Our pollination books are available on this resource.

**Storyline Online** [Click here](#) to watch these fun, free read aloud videos!

**Unite for Literacy** [Click here](#) for Free Read alouds in Spanish

**Scholastic** [Click here](#) to access daily lessons and activities! There are fun videos, vocabulary practice, quizzes and hands on activities that go along with the videos. They also offer a free trial for the various books that accompany the videos.

**Khan Academy** created a daily schedule for families to follow. The links in the daily schedule allow students to watch videos directly correlated to math and reading skills we've worked on this school year. [Click here](#) to access the daily routine document!

## SPELLING

**Online Spelling Games:** [Flippity Spelling Practice](#) to review spelling patterns we've taught in second grade. You can access this on any device.

**Spelling Without Technology:** [Spelling Information Page](#) with ideas for how to practice at home without technology.

## WRITING

**Keep A Journal** Encourage your child to write each day about how they are feeling, what they are doing at home, and what they are thankful for.

**Typing Club** is a [website](#) that takes students through a series of lessons and practice activities in order to teach and strength typing skills!

## SCIENCE/SOCIAL STUDIES

**BrainPopJr** We now have free access to BrainPop until school reopens. This is an amazing resource that children love. Enjoy watching videos, quizzes, and activities on a variety of topics!
